

## **Mayo Abbey National School - Attendance Policy**

### **Introduction**

This policy was introduced to safeguard the welfare of the child and to encourage and support good attendance in school. The policy was designed in collaboration with the staff, the PA and the BOM of the school.

### **Rationale:**

The main factors contributing to the formulation of a revised policy can be summarized as follows:

- To promote and encourage regular attendance as an essential factor in our pupils' learning
- New circulars re: attendance  
Circular 0033/2015 Updating and simplifying the manner in which schools can maintain pupil enrolment and attendance records following the introduction of the Primary Online Database (POD)
- Legislative Requirements such as the Education Welfare Act 2000 and the Education Act 1998
- The Role of TUSLA

This policy was designed in collaboration with the staff, the PA and the BOM of the school.

### **Aims and Objectives**

- The revised policy is geared towards:
- Ensuring that pupils are registered accurately and efficiently
- Ensuring that pupil attendance is recorded daily
- encouraging full attendance where possible
- identifying pupils at risk
- promoting a positive learning environment
- enabling learning opportunities to be availed of
- raising awareness of the importance of school attendance
- fostering an appreciation of learning
- identify pupils at risk of leaving school early
- ensuring compliance with the requirements of the relevant legislation
- developing, subject to available resources, links between the school and the families of children who may be at risk of developing attendance problems
- identifying and removing, insofar as is practicable, obstacles to school attendance.

### **Compliance with School Ethos**

This policy complements the school ethos of nurturing potential in a caring environment where the welfare of children is paramount.

### **Roles and Responsibilities**

All staff have an input into the implementation of the policy.

It is the role of Deputy Principal with the help of the school secretary to maintain leabhar rolla, leabhar tinrimh and clár leabhar and to make returns to Túsła.

It is the responsibility of the Principal and staff to implement this policy under the guidance of the school's Board of Management.

### **Punctuality**

School begins at 9.20am. School doors are opened at 9.10am. All pupils and teachers are expected to be on time. The school will contact parents/guardians in the event of pupils being consistently late. The Principal is obliged under the Education Welfare Act, to report children who are persistently late, to the Education Welfare Officer at TUSLA.

### **Recording and Reporting Attendance**

The school attendance of individual pupils is recorded in the Leabhar Rolla (Roll Book) of each class on a daily basis. The annual attendance of each individual pupil is recorded in the Clár Leabhar (Register). All information provided in enrolment forms (Pupil's Name, Date of Birth, Address, Religion, Parents' Names and Parents' Occupations) is recorded on POD for the Department of Education.

If a pupil does not attend on a day when the school is open for instruction, his/her non-attendance will be recorded by the class teacher. The roll call is taken between at 10.45am and 11am each morning. Any pupil not present will be marked absent for the day. The roll book may not be altered once it has been filled in. A note from parents/guardians is required to explain each absence. Such notes will be retained in the pupils file. Late arrivals and early departures are recorded. Medical certificates may be sought in the case of prolonged or persistent absences from school.

Parents/guardians are made aware of the requirements of TUSLA particularly the by-law relating to absences of more than 20 days per school year. They are notified in writing on the end of year report of the total number of absences during the school year.

Pupils whose non-attendance is a concern are invited to meet with the Principal during Parent/Teacher meetings and are informed of the school's concerns.

The school must inform the Education Welfare Officer at TUSLA in writing, where a child has missed 20 or more days in a school year, where attendance is irregular, where a pupil is removed from the school register and where a child is suspended or expelled for 6 days or more.

### **Promoting Attendance**

The school promotes good attendance by:

- creating a safe and welcoming environment
- ensuring children are happy
- displaying kindness, compassion and understanding
- being vigilant so that risks to good attendance such as disadvantage, bullying etc. are identified early
- rewarding good attendance with certificates.

### **TUSLA**

TUSLA is informed if:

- A child is expelled
- A child is suspended
- A child has missed more than 20 days.

TUSLA is furnished with the total attendances in the school year through the Annual Report Form which is completed on-line.

### **Whole School Strategies to Promote Attendance**

Mayo Abbey N.S. endeavours to create a safe, welcoming environment for our pupils and their parents/guardians. The teaching staff collaborates in the planning and implementation of the primary school curriculum, so as to provide a stimulating learning environment for all pupils.

***Traditionally, school attendance is strong in our school.*** However, the staff remains vigilant so that 'risk' students are identified early. Appropriate contact takes place between the school and parents/guardians when this occurs. Parents are notified in writing when a child is absent for 15 days in a school year. A meeting between parents and the Principal may be set up if deemed necessary. Absences of more than 20 days are automatically referred to the Education Welfare Officer at TUSLA.

New entrants and their parents/guardians are notified about the school's policies and procedures in relation to attendance are explained. There is a focus on the value of regular attendance and on the importance of developing good attendance habits from Junior Infants onwards.

Our homework policy, clearly outlines the school's expectations in terms of the quantity of homework assigned and in the quality of homework presented. There is a consistent approach to homework throughout the school.

The standardized calendar for the school year is published annually in June and a reminder is published in September. It is hoped that this approach will enable parents/guardians to plan family events around school closures, thus minimising the chances of non-attendance related to family holidays during the school term.

Pupils are expected to wear the correct school uniform. Parents/guardians are informed if a child has no lunch.

### **Strategies in the Event of Non-Attendance**

Section 17 of the Education (Welfare) Act (2000), states that 'the parent of a child shall cause the child concerned to attend a recognised school on each school day'.

Section 21 of the Act obliges schools to inform the Education Welfare Officer if a child is absent on more than 20 days in any school year, or if a child does not attend school on a regular basis.

In such cases the Education Welfare Officer (following all reasonable efforts by the Education Board to consult with the child's parents and the Principal of the school) may serve a 'School Attendance Notice' on any parent who he/she concludes is failing or neglecting to cause the child to attend the school. A successful case taken against the parent may result in a fine and/or imprisonment.

Reasons for absence are recorded and reported to the Education Welfare Officer at TUSLA during the school year through an online system. An annual report is submitted – not more than six weeks following the end of the school year - detailing the overall level of attendance at the school during that school year.

### **Transfer to Another School**

Under Section 20 of the Education (Welfare) Act (2000), the Principal of a child's current school must notify the Principal of the child's previous school that the child is now registered in their school.

When a Principal receives notification that a child has been registered elsewhere he/she must notify the Principal of the pupil's new school of any problems in relation to attendance at the pupil's former school and of such matters relating to the child's educational progress as he or she considers appropriate. This applies to pupils who transfer between primary schools and to pupils who transfer from primary to second-level education.

### **Communication**

The school has developed a good relationship with TUSLA personnel and there is ongoing communication in relation to children who are at risk.

The school maintains communication with local pre-schools and second-level schools in order to make the transition for pupils as easy as possible.

### **Communication with other Schools**

- When a child transfers from Mayo Abbey N.S. to another school, the schools records on attendance, academic progress etc. will be forwarded on receipt of written notification of the transfer
- When a child transfers into Mayo Abbey N.S. confirmation of transfer will be communicated to the child's previous school, and appropriate records sought
- Pupils transferring from Mayo Abbey N.S. to a post primary school will have their records forwarded on receipt of confirmation of enrolment.

### **Communication with Parents**

Parents of new children are informed on enrolment of the implications of non-attendance. Parents/guardians can promote good school attendance by:

- ensuring regular and punctual school attendance.
- notifying the School if their children cannot attend for any reason.
- working with the School and Education Welfare Service to resolve any attendance problems;
- making sure their children understand that parents support good school attendance;
- discussing planned absences with the school.
- refraining, if at all possible, from taking holidays during school time
- showing an interest in their children's school day and their children's homework.
- encouraging them to participate in school activities.
- praising and encouraging their children's achievements.
- instilling in their children a positive self-concept and a positive sense of self-worth.
- informing the school in writing of the reasons for absence from school.
- ensuring, insofar as is possible, that children's appointments (with dentists etc), are arranged for times outside of school hours.
- contacting the school immediately, if they have concerns about absence or other related school matters.
- notifying, in writing, the school if their child/children, particularly children in junior classes, are to be collected by someone not known to the teacher.

## **Evaluation**

The success of any Attendance Policy is measured through:

- Improved attendance levels as measured through attendance records and statistical returns
- Happy confident well-adjusted children
- Positive parental feedback

## **Review**

This plan was formally ratified by the Board of management. The plan will be implemented by staff supported by the Board of Management and will be reviewed and updated on a regular basis.
